ABOUT

THE CREATOR OF THE AGENCY

La Clé de Vos Bonheurs is a people-centered agency, founded and directed by Audrey NIOLA, age 42, who is married and a mother of four.

In 2022, she made a turning point in her professional life. After a skills assessment, she realized she wanted to create a career that combined her organizational expertise with her deep love for Provence... and that's how the wedding planner profession found her!

Trained at the International Wedding Institute, she launched her agency in 2023.

In her free time, Audrey loves traveling abroad (Mexico, Italy, New York, Turkey...) as well as exploring France's charming corners. She is passionate about decoration and restoring antique furniture. She enjoys spending quality time with family and friends, sharing good meals, and taking walks in the countryside.

THE FULL WEDDING PLANNING

Planning your wedding should always be a delightful experience to enjoy and share...

... but questions and worries start to overwhelm you.

A feeling of loneliness when faced with all the choices and information.

Not enough time, not enough expertise.
